September 2022

To Whom It May Concern,

I'm writing on behalf of Little People of America (LPA), a national non-profit organization that provides support and information to people of short stature and their families. LPA provides peer and parent support, medical resources, scholarships, and programs that benefit the dwarfism community while trying to promote education and community outreach.

LPA District 8 and our Chapters host events throughout the year for our members here in Texas. We're excited for our upcoming District 8 Fall Regional that will be held October 28-30 in Houston, TX! We are reaching out to you with a wonderful sponsorship opportunity to join our efforts to help make this event possible. The regional is expected to have attendees from Texas, Louisiana and other states for a weekend of connecting with others in the dwarfism community who face similar challenges.

LPA is inviting you to partner with us and support the following at our District 8 Regionals:

- Free medical workshops and consultations with the LPA Medical Advisory Board Specialists
- Educational workshops, receptions and social activities for all ages
- Provide a welcoming environment to our members and first-time attendees
- Activities promoting confidence, inclusion, peer engagement and much more...

Little People of America, is a 501(c)3. All contributions are tax deductible. Your partnership will have a direct impact and be greatly appreciated! In addition, your name and company will be recognized at the regional.

For more information please contact us at lpadistrict8@gmail.com or visit our district website at lpadistrict8.weebly.com. Thank you for your time, consideration and support of our LPA community!

Sincerely,
Sara Wills
LPA District 8 Director

Our Mission: LPA is dedicated to improving the quality of life for people with dwarfism throughout their lives while celebrating with great pride Little People's contribution to social diversity. LPA strives to bring solutions and global awareness to the prominent issues affecting individuals of short stature and their families.
